### A Life And Death Fight.

Mr. W. A. Hines of Manchester, Ia., writing of his almost miraculous escape from death, says: "Exposure after measles induced serious lung trouble, which ended in Consumption. I had frequent hemorrhages and coughed night and day. All my doctors said I must soon die. Then I began to use Dr. King's New Discovery for Consumption, which completely cured me. I would not be without it even if it cost \$5.00 a bottle. Hundreds have used it on my recommendation and all say it never fails to cure Throat, Croup and Lung troubles." Regular size 50c and \$1.00. Trial bottles free at F. J. Watron's Drug Store.

### Sheep Shearing.

It was a great treat to the Argus representative to have an opportunity of seeing a sheep-shearing camp. In company with Dr. G. S. Reed and H. R. Clark, we accepted an invitation from H. H. Scorse to visit his camp about five miles south of town. There were many thousand sheep, more than we had ever seen in a bunch before. Twelve shearers were at work, and they more than made the wool fly. Mr. Clark got several good pictures of the sheep and the shearers at work, and in a few weeks we hope to reproduce them in the columns of the Argus so that all of our readers may see just what a sheep shearing outfit looks like. Mr. Scorse took us out and back in his wagon, gave us a good dinner, explained the sheep industry from A to Z, and altogether we had a royal good time, one that we will not soon forget.

### Musicals.

Mrs. Barnes, who has very successfully taught a class in music at Holbrook for some time past, gave a musicals last Tuesday evening, nearly all of her scholars taking part. The pupils all did splendidly, showing good training on the part of Mrs. Barnes. About twenty of the Holbrook ladies were invited, and after the program all partook of an excellent lunch. Mrs. Barnes expects to leave in a short time to live with her son in New Mexico. The Argus joins her many friends in wishing her pleasure and happiness in her new home.

### Baseball.

A very interesting and exciting game of baseball was played here last Sunday by the Holbrook and Penzance teams, resulting in a "tie" game. Score, 19 to 19. The large crowd that were present were very liberal in their applause, which was gratifying to the boys. Among those deserving credit are A. O. Hack, who umpired the game with a fairness that was simply marvelous. Mr. Andrews, who held down first base, also came in for a large slice of fame. Mr. A. won many hearts by his dots and dashing style of playing. The battery, Ed P. Woods and Bert Gravely, did exceptionally well for the amount of practice they have had. Dan Divilbess did some good work on second base. The same may be said of our popular barber, who was perfectly at home on third bag. Mr. Levi Savage acted the part of short-stop with much credit. Kempenich, Knight and Greer, also did good field work.

The visitors put up an exceptionally good game of ball, their battery doing good work all through the game.

After the game the visiting nine was taken to Mrs. Mooney's restaurant and treated to supper, the same being paid for by a collection taken up among the boys and spectators.

This is the first time a ball team from Holbrook has played a match game with an outside club, but we hope it will not be the last, and we are anxious to see the good work go on.
